Superintendent's Highlights

A brand new high school (\$6M) completed and opened on time for the beginning of 2001-2002 school year. This high school was the result of one bond effort and 83% of the electorate supporting the district.

The district is committed to and working to reach the alignment of our curriculum with state standards.

District has assisted 81 of the 87 staff members to be tech certified using the tech portfolio method.

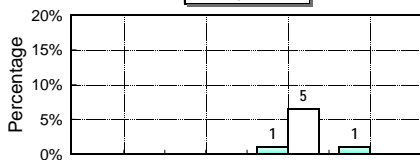

Four staff members received their Master's degree this past year. One teacher completed National Board Certification, and the district was home to the Presidential Math Teacher of the year. The district believes staff development and staff improvement are the cornerstone to improvement of student performance.

Progress Towards Meeting District Goals

2000-01 Goals	Progress
Retain and recruit outstanding staff	Reduction in number of staff with Letters of Authorization and consultant/specialist. Staff who left the district in the last two years have all retired or moved out of Idaho.
Actively maintain a safe learning environment	District wide safety committee in place Three old building closed and replaced.
Incorporate/'align curriculum standards w/state.	The district has actively worked for the past three years on this issue.
Increase graduation rate and decrease drop-out rate	Drop out rates have been reduced.
Incorporate "Character Education"	"Character Education" and personal responsibility programs in place at all schools.
Provide and maintain "cutting edge tech program"	Computers in place in every classroom in the district. Students at high school level have been placed in good tech jobs upon completion of district programs.
